PROPOSED MISSION

The NYC Tech Academic Council catalyzes and sustains alignment between local academic institutions and the City's tech industry in order to realize the inclusive growth of NYC's tech ecosystem and benefit communities.

PROPOSED APPROACH

1

Identify a broad challenge or citywide objective

2

Work with industry + community to define gaps

3

Identify available + needed resources; develop solutions

4

Deploy solutions with an eye towards scaling

5

Share and expand what works
